Mass Print Student Assessment Detail (PDF)

This will open in Adobe and give *one sheet per student* detailing their performance on a given assessment. This would be something that could be printed and given to the parent/ student.

Cumulative Progress (PDF)

This will open in Adobe and give one sheet per student detailing their progress over time. This would be something that could be printed and given to the student/ parent. *It will only run on an assessment that has multiple schedule dates.*

Progress Report Card (PDF)

- ✓ Creates a PDF report for the selected group or class of students consisting of a Progress Report Card that can be printed and sent home to parents for each student.
- ✓ Each Progress Report Card allows for teacher comments and reports an overall grade level performance for the student.

Progress Report Card Summary (HTML)

- ✓ Same as above

Assessment Scores (*You must filter by assessment. If not, you will be prompted by the system.*)

- ✓ Displays performance by section of the assessment with various sorting capabilities. You can also open this report in excel or CVS format if you wish.
- ✓ After clicking “run report”, you will need to answer several questions on
 - what you want to include in the report,
 - how to display it, and
 - how to sort it.
