

Writing Goal Statements

Use the following template to create goal statements that are specific, measurable, attainable, results-based, and time bound.

Goal components:

Check your goal!

1. Is it data based?
2. Is it specific?
3. Is it measurable?
4. Is it student focused?
5. Is there a way to show that learning improved as a result of efforts?
6. Does it address which students in your classroom, grade level, department?
7. Is it “implementable” and attainable within identified timeframe?
