

Math Fact Fluency

In the second trimester your child has two fact fluency goals. The first goal is to complete 25 multiplication facts from 0 to 5 in one and a half- minutes. Your child needs an 80% to be proficient. Their score needs to be at least a 20/25 to be proficient.

The second goal that they will need to do is complete 25 multiplication facts 6 to 9 in one and a half-minutes. Your child needs an 80% to be proficient. Their score needs to be at least a 20/25 to be proficient. We will work on the multiplication facts 6 to 9 when we come back in January.

I have attached practice sheets to work on at home. Students can also practice facts on Front Row and First In Math. I have talked to the students that they need to be proactive and work on this at home too. Everyone works on math facts in math as well. Any extra support you can give to your child will benefit them.

Thank you,
Mrs. Buswell

$$\begin{array}{r} 2 \\ \times 10 \\ \hline \end{array}$$

$$\begin{array}{r} 2 \\ \times 2 \\ \hline \end{array}$$

$$\begin{array}{r} 2 \\ \times 6 \\ \hline \end{array}$$

I will
practice
these 3
facts:

Circle the minutes:

1	2	3	4	5
---	---	---	---	---

I used these strategies:

- Skip Counting
- Repeated Addition
- Other
