## Leader in Me

In November, we focused on Habit 3- Put First Things First. We worked on determining what is most important and how to make sure we do the important things first. Then we get to do those things that we want to do but don't need to do.

## Our Learning

**Reading-** We've been practicing monitoring and clarifying and fantasy/realism.. We wrote opinion stories about the best pet.

**Math-** In math, we focused place value to 1000 including- odd/even, skip counting, comparing numbers, and writing numbers in many ways.

**Science-** November was all about pioneers. We kicked it off by going to Landis Valley and even watched some Little House on the Prairie.

## Thank You!

...for sending in donations for our Health Fair.  
...for sending in gum for us to chew during tests  
...to our chaperones for the field trip.

## Long o Words

most          both          tadpole

October

If you want to change the world, go home and love your family.

-Mother Teresa

## Upcoming Events

- Dec. 6 Leadership Shirts
- Dec. 7 Parent Conference/Early Dismiss
- Dec. 8 Parent Conferences/No School
- Dec. 11 7 Habits Night/Holiday Shop
- Dec. 22 Holiday Sing 9:15  
Pajama Day/Holiday Party 2:20

## What's Coming Up?

In social studies, we will be learning about germs. We'll kick off our unit with our Health Fair - we ate healthy snacks and worked out! In math, we will be using data to interpret graphs. We will learn about bar graphs, pictographs and line plot graphs. In writing, we will be working on informational writing. Our holiday party will be all about Christmas Around the World. Come join us on December 22<sup>nd</sup> at 2:20

## Home-School Connection

Allow your child to use First in Math at home to practice math facts and concepts. Usernames and passwords are in their Take Home folders.

## Reminders

We have gym and book exchange on Day 3. Please be sure your student is wearing sneakers and has his/her library books.

Leveled bag books have been coming home for a few weeks. They are to be returned every Tuesday. Students are not to bring candy, cakes, chips, or other treats for morning snack. Snacks should be nutritious.
