## Our Learning

**Reading**- In September, we worked on summarizing, making connections, and categorizing and classifying.

**Math**- In math, we focused on addition and subtraction fact strategies. We used touch points, number lines, and drawing to help us solve math facts.

**Social Studies**- We learned about citizenship and what makes a person a good citizen.

**Science**- We're in the middle of our animal life cycles unit. We are

## September

You don't inspire your teammates by showing them how amazing you are. You inspire them by showing them how amazing they

### What's Coming

are.

In science, we will be studying about the skeletal system. This culminates with a fun bones party on Oct. 31st. We will visit Landis Valley Museum on Nov. 1<sup>st</sup>. This launches our social studies unit on pioneers. In math, we just began working on place

value. This is a very important unit!

### Leader in Me

In September, we launched the Leader in Me in our school with an energetic assembly. Everyone received their shirt from the East High PTO. September included an introduction to all 7 habits, with a focus on habit 1: be proactive.

You can help your child be proactive by encouraging him/her

to set up routines at home to increase responsibility and ownership.

### Home-School

Make math fact practice a regular part of your routine. Keep a set of flashcards in your car on in your child's backpack so they're easily available.

### Reminders

Be sure that your child is wearing sneakers for Gym. We have gym on Day 1. We also have Book Exchange on Day 1, so students need their library books. Students are not permitted to bring toys to school unless it is a special day or reward.
