Learning Models in 2020 - 2021

English Learners will meet with their English Language Development Teacher at the scheduled time, whether they are learning in person or virtually (online)

Students in school must wear a mask each day and should stay at least 1 - 2 meters apart.

Virtual students must log in to class at the designated time and will participate with the rest of the class

Reading, writing, speaking, and listening activities are a regular part of our class time
