

ELIZABETHTOWN AREA SCHOOL DISTRICT
DISTRICT OFFICE

March 27, 2020

Bear Creek Families,

On Monday March 30th, Bear Creek will launch our continuity of education with enrichment and review online for all of our students. This phase of our continuity of education is intended to support our families by providing meaningful online review and enrichment activities to all our students. These opportunities will not be graded based upon performance. Bear Creek teachers will be providing materials for enrichment and review on the **Schoology Learning Management System**. Although the use of Schoology has varied by classroom based on availability of devices, all students have used Schoology at some extent this school year and should know how to log in and access their school work. We ask that all students log-into Schoology each day and engage in the review and enrichment activities provided by their teachers. Bear Creek does not have parent accounts for Schoology, so families should review the child's Schoology courses for information on learning activities. Families are also asked to develop open communication with their child's teachers, through Schoology, through e-mail, or through another agreed upon method. We miss seeing your children each day in school, but we are prepared to create an online learning environment that will help and support your child's overall learning during this period of school closure. We look forward to partnering with you during this time to keep your children growing!

Sincerely,

Dr. Nate Frank

Tech Support Document Attached

Need technology support during this period of school closure? Check out the attached Tech Support Document to see how students can submit Web Help Desk support tickets to our district technology support team. [Tech Support Document](#)

Schoology Tip Sheet for Home Attached

Need help accessing Schoology from home? Check out the attached Schoology Tip Sheet for Home for assistance. [Schoology Tip Sheet for Home](#)

Bear Creek Counseling Support

Ms. Miller and Mr. Bingaman have provided updated information and links for your use at home during this period of school closure. Please see the School Counselor page on the Bear Creek Website for more information: <https://www.etownschools.org/domain/695>

Leader in Me Family Resources

Leader in Me has provided a link to resources for families to use during this time of school closures. Please see the following link for more information: <https://www.leaderinme.org/response-center/>
