

**ELIZABETHTOWN AREA SCHOOL DISTRICT**  
**DISTRICT OFFICE**

March 27, 2020

Hello EAHS Students and Families:

I hope this email finds all of you healthy and enjoying this time at home with each other. As we continue to follow the guidelines set for us from the Federal and State governments, we will be moving into another week of school closures and asking all of us to stay home. However, starting Monday, March 30, our teachers will begin uploading materials for their classes in Schoology for enrichment and content review of materials. It is our hope that you will take this opportunity to connect with your teachers and classmates as you begin getting back into “school mode”. Please read the overview below of what this means for students. Thank you for your continued flexibility and understanding as we move through these challenging times. If you have any questions, please feel free to reach out at any time.

Sincerely,

Maura Hobson  
Principal, Elizabethtown Area High School
