

Connecting to the New Student Server on a Windows Computer - 08/2014

Click on Start.

In the search field, type in \\student-file.

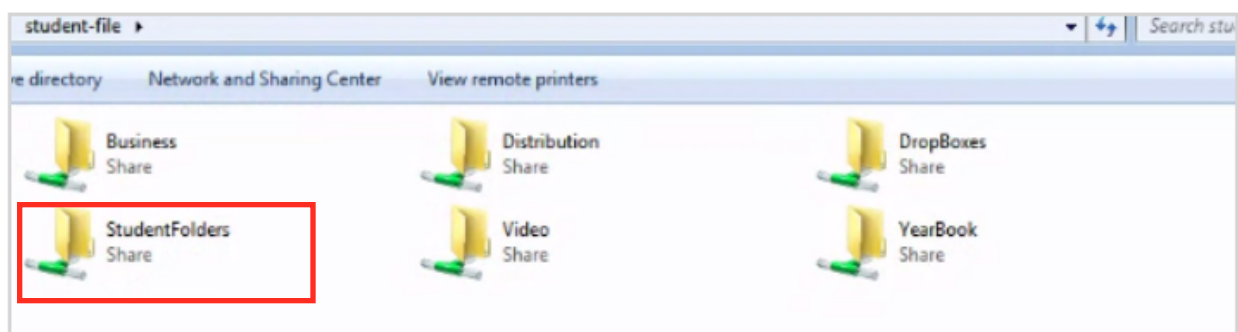

Press return on the keyboard to begin the search.

Enter your district username and password and click OK.

Select StudentFolders

Next, select the folder of your graduation year.

Name	Date modified	Type	Size
 ClassOf2015	8/19/2014 11:07 PM	File folder	
 ClassOf2016	8/22/2014 3:02 PM	File folder
