

## EAHS MATHEMATICS DEPARTMENT CALCULATOR CONTRACT

*I will borrow a calculator from Elizabethtown Area High School. I fully understand that it is my responsibility to take good care of the calculator. If it is lost or returned in an unusable condition, I agree to pay the replacement value (\$15 for a TI-30X-IIS scientific calculator; \$125 for a TI-83/84 graphing calculator) or provide an exact replacement (either in the original package or with proof of purchase). **Students are responsible for providing four AAA batteries for TI-83/84 graphing calculators. Students must have a calculator by the second week of the semester.***
