

August 26, 2019

Dear Parent/Guardian,

Welcome to the beginning of another school year! The purpose of this letter is to pass on some information to you regarding your child's Honors Precalculus class, as well as open the lines of communication.

Every student has received a packet explaining my classroom policies and expectations, as well as an outline of course content. This information is also posted in the Community Portal, Schoology and on my teacher website. Please take time to review all of the information and contact me if you have any questions.

For this course, please supply your student with a 3-ring binder. Highlighters, colorful pencils or pens are also helpful for notes. Students are required to use a Texas Instruments graphing calculator. All versions of the TI-83 and TI-84 are acceptable. If your child plans to continue higher level mathematics (AP Calculus, AP Statistics), owning a graphing calculator is highly recommended, as it is also required for these courses. If your child does not own a graphing calculator, please consider purchasing or borrowing a calculator from a relative or friend to use for the semester. Contact me if you are unable to provide your child with a graphing calculator – students may borrow one for the semester from the EAHS Math Department by completing a Calculator Contract. Please be advised there is a limited supply!

Parents, as well as students, are encouraged to check the Community Portal and Schoology frequently. Grades, homework, upcoming quiz and test dates, and additional resources will be posted there.

Should your child need additional help in Honors Precalculus, please know that I am available most days during Flex and after school from 2:45 – 3:25 for tutoring. Please have your child make arrangements with me in advance.

If you have any questions or concerns throughout the semester, please contact me at [stephanie\\_shubert@etownschools.org](mailto:stephanie_shubert@etownschools.org) or leave a message on my voice mail at 367-1533. Please fill out the attached form so that I may contact you if necessary.

*Mark your calendars – Upcoming Important Dates*

- *Parent Night will be held on Wednesday, September 11<sup>th</sup> at 6:30.*
- *Parent-teacher conferences will be held on October 10<sup>th</sup> and 11<sup>th</sup>.*

I look forward to meeting you and working with your child this semester.

Sincerely,

*Mrs. Stephanie Shubert*

**\*\*\*RETURN TO MRS. SHUBERT BY THURSDAY 8/29\*\*\***
