

ELIZABETHTOWN AREA HIGH SCHOOL
ELIZABETHTOWN, PA 17022

Guideline on Permission Request for Educational Travel

In conformity with the Pennsylvania Code, Title 22, Chapter 11, and Board Policy 204, the Elizabethtown Area School District provides for exception to the normal attendance regulations as follows:

Educational Tours and Trips:

The school district recognizes that from time to time students may have the opportunity to participate in preplanned trips and educational experiences during the regular school year.

Upon receipt of a prior written request from the parents or guardians of the pupil involved, pupils may be excused from school attendance to participate in educational tours or trips when such trip is so evaluated by the Principal. As recorded in policy 204, five (5) days during any given school year will be allowed for (a) family educational trip/s.

Preapproval forms are available in the school office and appear on the back of this guideline. The determination of each request will be made on the following: academic progress, attendance records, previous requests, the weighted educational value of the requested experience and the student's responsibility for keeping up with assignments.

If the student's absence extends beyond the approved time, the extra days will be classified as unlawful.

If prior approval is not received and the student is absent from school, the absence will be classified as an unlawful and/or unexcused absence.

Local District Guidelines:

1. Excusal from attendance will be granted for trips provided following conditions prevail:

- a. The trip shall include an experience for the student that has educational value.
- b. The parents shall present to the school officials a preview of the educational tour on the form provided or on additional attached sheets, if needed.

2. It is understood that the parents or some other approved adult will be directly in charge of the educational program of the child or children and will be responsible for the continued educational progress of the child and, as such, it is important that:

- a. Teachers be contacted for assignments that are going to be missed during the trip and materials needed to complete the assignments.
- b. Principals be notified in sufficient time to allow for the proper communication and development of assignments. (Preferably five (5) days in advance)
- c. Building principals may require (at their discretion) a folder of materials and work completed by the student during the trip be turned in to the principal upon return from the trip.
- d. Upon returning to school the student will, on his/her own time, be responsible for making up the work missed and will be held accountable for such knowledge and/or skills as they pertain to his/her continuing education.
- e. All make-up work is to be accomplished to the satisfaction of the teacher concerned and during a maximum period of three weeks, unless otherwise approved by the teacher.
