Date:

Name:

Grade:

Homeroom:

Plan Description:

How many dual enrollment courses have you taken so far?

How many dual enrollment courses are you requesting for this year?

Are any of these courses in place of a required core course (English, math, history, science)?

Which semester do you plan to take a dual enrollment course?

fall     spring     undecided

It is the student's responsibility to contact colleges they are considering attending after high school to determine if the dual enrollment course will be accepted for transfer credit. Taking dual enrollment courses does not necessarily guarantee transferable credits.

By signing below you understand and agree that any courses, failed through Dual Enrollment, may need be remediated and could cause the student to be ineligible for graduation.
